圖形歸類

Y3 得分

例題

A 3x5 grid of various objects for classification. The first row contains a pencil, a yellow balloon, a giraffe in a blue circle, a yellow mug, and an elephant in a blue circle. The second row contains a cupcake in a red circle, a rainbow cap, a slice of cake in a red circle, a blue and yellow fan, and a tree. The third row contains a pair of scissors, an excavator in a red circle, a baseball, a fire truck in a red circle, and a rabbit.

圖形重疊

Y4 得分

例題

A 4x5 grid of geometric shapes for overlap classification. The first row contains a rectangle and an oval in a box, a circle with a square inside, an 'X' shape, two overlapping circles, and a circle with a square inside in a blue circle. The second row contains a square and a triangle, a triangle inside a circle in a red circle, two overlapping squares, a six-pointed star, and a square with a triangle on top. The third row contains a circle and a square, a square inside a circle, a square inside a square, a square and a circle overlapping, and a square inside a circle in a red circle. The fourth row contains a square and a circle, a square inside a circle, a square inside a square in a red circle, a square and a circle overlapping, and a square inside a circle.

立體組合

Y5 得分

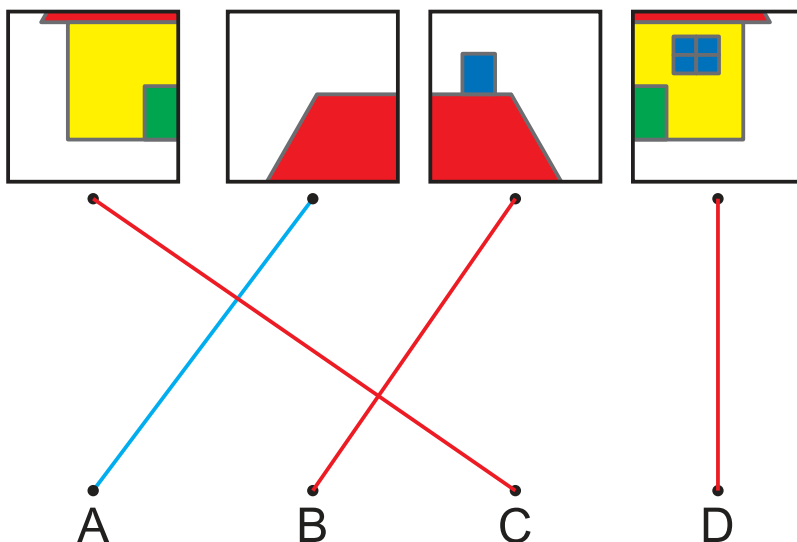

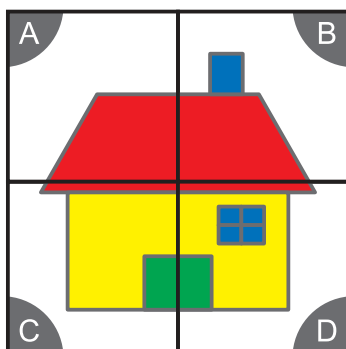

例題

A 3D assembly task diagram. On the left, a target 3D shape made of pink blocks is shown. In the center, a box contains two individual pink blocks connected by a vertical line. On the right, six different pink block configurations are arranged in two rows of three. Red lines connect the top row of three blocks to the bottom row of three blocks, illustrating a matching or assembly process.
